Re: United States v. Tyrell Sumpter,
18 Cr. 373 (RJS)

Your Honor,

I write to request an extension of time to file a response to the government's post *Fatico* memo until February 15, 2022, which would be two weeks from Mr. Sumpter's currently scheduled March 1, 2022 sentence. Currently the response is due February 9, 2022, but I have not been able to meet with Mr. Sumpter because MDC attorney jail visits were suspended on December 20, 2021 due to covid. Visits were scheduled to resume on February 1, 2022 but were cancelled again due to a nationwide BOP shut-down. I have just learned that visits are supposed to restart today, but I due to my schedule I am not able to see Mr. Sumpter before February 9, 2022. The extension will give me the opportunity that I need to meet with Mr. Sumpter several times in advance of filing a reply memo and to prepare for sentencing.

Therefore, I request an extension of time to file a submission until February 15, 2022 and request that the Court grant the government an extension for the filing of any submission to February 22, 2022. The government, by Jun Xiang, Esq., consents to this application

Respectfully,

Lisa Scolari

Lisa Scolari
